EXPLANATORY NOTE

The Philippine educational system has been undergoing innovative transformation and restructuring to improve the quality of education and quality of graduates in the elementary, secondary and tertiary levels as means to promote national development and global competitiveness. Present condition indicates that a small percentage of college graduates successfully find appropriate employment perfectly suited for their respective courses. This has resulted to unemployment and over supply of college graduates in white collar jobs and shortages in skilled manpower. Moreover, recent results of professional examinations consistently yielded small percentage of successful examinees. This is further aggravated by the continuous exodus and migration of our professionals seeking employment and high paying jobs in other countries. To address this pressing and urgent predicament, there is a need to institutionalize a mechanism which will check, screen and monitor the flow of secondary graduates to post-secondary learning institutions to promote national development and global competitiveness. In this light, the National Career Assessment Examination (NCAE) will act as an instrument to maintain a viable balance among the number of white collar employees, skilled manpower and entrepreneurs through a provision of career direction to secondary graduates.

The bill shall provide a redirection of skills development program in the tertiary level specifically aimed at harmonizing and matching the supply coming from post-secondary institution with that of the demand of the country’s employment market. It shall address the evident need to institutionalize a career direction program for secondary graduates which would assess the individual’s potential to; enter a four-year degree program, take technical/vocational course or embark into entrepreneurship. Finally, it shall answer the pressing and apparent need to prepare high school graduates for national development and global competitiveness.

In view of the foregoing reasons, the approval of this bill is earnestly sought.

FRANCIS G. ESCUDERO
AN ACT
CREATING A NATIONAL CAREER ASSESSMENT EXAMINATION TO INSTITUTIONALIZE A CAREER DIRECTION PROGRAM FOR SECONDARY GRADUATES, DEFINING ITS SCOPE AND FUNCTIONS AND FOR OTHER PURPOSES

Be it enacted by the Senate and the House of Representatives of the Philippines in Congress assembled:

Sec. 1. Short Title. — This Act shall be known as the "National Career Assessment Examination Act".

Section 2. Nature and Scope — There is hereby instituted a National Career Assessment Examination (NCAE) which is a system of assessing or evaluating the potential or aptitude of each and every high school graduate to pursue a four- or five-year college degree course, a technological / vocational course, or an entrepreneurial course.

It aims to maintain the highest quality of education in the Philippines by regulating and monitoring the flow of high school graduates to said courses where they have better aptitude or potential.

Section 3. Declaration of Policy — It is hereby declared as the policy of the State to maintain the highest quality of education for purposes of national development and to respect the right of every citizen to select of profession or course of study, subject to fair, reasonable, and equitable admission and academic requirements.
It is further declared that secondary education must give emphasis to the
development of different aptitude and interests of the students so as to equipped them
with knowledge and skills that will enable them to become useful, productive and
gainfully employed members of the society.

Furthermore, it is hereby declared that an assessment of the career aptitude of
high school graduates shall be made to guide them to take up courses in colleges,
universities, vocational or technological institutions where their potentials will be best
developed and where their training and/or education will be needed for national
development.

Section 4. Purposes and Objectives - This Act shall have the following purpose
and objectives:

1. To guarantee protection and promotion of the right of all citizens to quality
   education at all levels;
2. To provide fair, reasonable and equitable admission and academic
   requirements;
3. To reduce wastage in education arising from dropping out, non completion
   and / or low performing of students in colleges and universities and
decreasing percentage of successful examinees in professional licensure
   examinations;
4. To assess the academic, technical and vocational aptitudes of high school
   graduates in order to facilitate and rationalize their placement in degree and
   non-degree courses as the case may be;
5. To attain excellence in education within the context of national development, to open more job opportunities to our labor force and to properly utilize their productive potentials.

Section 5. Scope of Examination – Beginning School Year 2010 – 2011 and every year thereafter, all high school graduates seeking admission to any post-secondary degree or non-degree course, or a technological / vocational course or to be an entrepreneur shall henceforth be required to undergo a National Career Assessment Examination (NCAE).

The results of the test for each examinee shall serve as a guide for him / her as to which degree or non-degree course or career to take up after high school. Such test results shall serve as a prerequisite for enrolment by all high school graduates to any post-secondary degree or non-degree course or a technological / vocational course or entrepreneurial course. The test results which indicate the skill / aptitude to which a student may aptly succeed shall be one of the basis of his / her enrolment in a tertiary course.

Section 6. Test Administration - The Department of Education shall conduct an annual NCAE through the National Education Testing and Research Center (NETRC) to carry out the provisions of this Act.

Section 7. Powers and Duties of the Secretary - To carry out the purposes and objectives of the NCAE, the Secretary of Education is hereby vested with the following authority:

1. To conduct an annual NCAE through the National Education Testing and Research Center (NETRC) in order to promote and implement a program that assesses and evaluates the potential or aptitude of each and every high school
graduate to pursue a four- or five-year college degree course, a 
technological/vocational course, or a short entrepreneurial course;

2. To determine the method, form and content, both the test and the process of 
checking and evaluating its results, as well as to fix the date and place(s) of 
examination;

3. To enter, when desirable or necessary, into agreements or contracts with 
qualified persons, institutions, organizations, government agencies, entities and 
estABLishments to make payments incidental to such agreements or contracts, to 
carry out the purposes and objectives of this Act;

4. To determine as the exigencies or national interest may dictate, exemptions from 
the provisions of this Act; and

5. To do such other acts as may be proper and necessary in order to achieve the 
policies of the NCAE.

Section 8. Content of Examination - The National Career Assessment
Examination (NCAE) shall measure the following aptitudes and skills of high school 
graduates to wit:

A. General Scholastic Aptitude

1. Scientific Ability - This is an assessment of the individual's scientific 
abilities and skills to adopt scientific methods, procedures and processes 
in constructing knowledge and solving experimental or real-life problems.

2. Reading Comprehension - This measures the ability to understand what 
has been stated directly; to analyze, interpret, and criticize what has been 
read; to recognize reasonable application of principles or opinions 
expressed by the author.

3. Verbal Ability - This subtest measures the assertive ability of a person in 
view of grammatical rules and logical arrangement of ideas.

4. Mathematical Ability - The subtest is used to assess quantitative abilities 
and computational skills, particularly on working with numbers, 
perceiving relationship between two (2) quantities and solving arithmetic 
problems.
B. Technical-Vocational Aptitude

1. Manipulative Skills - This subtest measures abilities that require perceptual and visual judgment in determining figures, symbols, patterns, and nature of space as well as skills in mentally manipulating objects and concrete materials.

2. Clerical Ability - This is a test of ability and skill to encode data/information and file office records, and ability to note details.

3. Entrepreneurial Skills - This is a test to assess one's capacity to engage in business undertakings.

4. Non Verbal Ability - This tests a person's reasoning ability to identify patterns presented in diagrammatic form.

5. Occupational Fields of Interest

C. Occupational Fields of Interest

1. Outdoor Interests - This means that one will enjoy working with naturalistic environment such as plants and animals.

2. Mechanical Interests - This means that one will enjoy working with real-world materials.

3. Investigative Interests - This means that one will enjoy activities which require mental work or using thinking skills.

4. Artistic Interests - This means that one will enjoy activities that look at the artistic side of things such as forms, designs and patterns.

5. Social Interests - This means that one will enjoy with work activities that assist other people and promote learning and personal development.

6. Enterprising Interests - This means that one will like activities that have something to do with carrying out a project especially on business ventures.
7. Clerical Interests - This means that one will enjoy work activities that follow set of procedures and routines.

Section 9. Rules and Regulations - The Secretary of Education shall within sixty (60) days from the effectivity of this Act, promulgate such rules and regulations as may be necessary for its implementation. Provided, that the full implementation of the program be initiated for high school graduates of School Year 2010-2011.

Said rules and regulations shall take effect fifteen (15) days following its publication in the Official Gazette or in one newspaper of general circulation.

Section 10. Implementing Agencies - The Commission on Higher Education (CHED) and Technical Education Skills Development Authority (TESDA) shall implement a program in accordance with the NCAE results, as follows:

1. To promote prudent and economic use of government funds, the CHED shall utilize the results of NCAE as basis for the selection of grantees for its scholarship program

2. To further promote manpower skills development program, TESDA and CHED shall adopt an educational program attuned with the NCAE result; and

3. To set the cut-off score for the various courses of CHED and TESDA though their Technical Panels.

Section 11. Examination Centers and Date of Examination - Unless otherwise previously announced, the National Career Assessment Examination (NCAE) shall be administered throughout the country on the last Wednesday of August of every year, in the place where the Provincial or City Division Office is located; provided, however that additional examination centers may be established in the province as may be determined by the Division Examination Committee and approved by the Secretary of Education.

Section 12. Processing of the Examination Results - The processing of the examination result shall be in the National Capital Region through the NETRC.
Section 13. Notices - The notice and certification shall be issued under the following circumstances:

1. The certificate of ratings of examinees in the National Career Assessment Examination (NCAE) shall be issued each year by the Secretary of Education through the NETRC.

2. Each examinee will be given a Certificate of Rating indicating his/her rating in the domains of the NCAE.

3. A consolidated masterlist of the names of examinees may be made available in the Division Office concerned.

4. Questions relating to the results of the NCAE may be verified from the masterlist in the Office mentioned in the preceding paragraph and/or to the NETRC.

5. Issuance of a second copy of the NCAE Certificate of Rating can be requested from NETRC.

Section 14. Limitations - Results of the National Career Assessment Examination (NCAE) shall not automatically entitle a student for admission into any particular academic or professional course in a higher learning institution which impose its own entrance examination as a requirement for admission.

Institutional results of the NCAE should not be used for any other purposes except for career guidance, e.g. ranking and advertisement of schools.

Section 15. Appropriation - To carry out the provisions of this Act, the sum of Twenty-Million Pesos is hereby annually appropriated as part of the appropriation of the Department of Education out of any funds in the National Treasury not otherwise appropriated.

Section 16. Miscellaneous Provisions -

1. Any official, employee or teacher who violates or causes the violation of the provisions of this Act, or commits or causes to commit any acts of dishonesty or misconduct related to the performance of his/her duties in the
administration of the National Career Assessment Examination shall be
administratively dealt with in accordance with existing Civil Service laws,
rules and regulations

2. Students who commit or cause the commission of any act of dishonesty or
         misconduct concerning their application to, or in taking the National Career
         Assessment Examination shall be barred from further taking the same and the
correction of their examination papers withheld, without prejudice to any
disciplinary administrative action that may be taken against them in
accordance with existing rules and regulations of the Department of
Education.

3. The Secretary of Education may issue from time to time supplementary
         instructions or directions and/or amendments to any provisions of the rules
         and regulations implementing this Act as he may deem proper and necessary.

Section 17. Separability Clause - If for any reason, a portion or provision of this
Act shall be declared unconstitutional, other parts or provisions hereof which are not
affected thereby shall be continue to be in full force and effect.

Section 18. Repealing Clause - All laws, decrees, rules and regulations or parts
thereof inconsistent with the provision of this Act are hereby repealed, amended or
modified accordingly.

Section 19. Effectivity - This Act shall take effect fifteen (15) days following its
publication in at least two (2) newspapers of general circulation.

Approved,
